2025 ANNUAL REPORT

The Tutorial Center's mission is to build foundational skills and enhance understanding for learners in order to inspire success in pursuit of career and life opportunities. The Center is committed to a philosophy which respects student goals, builds on students' strengths, and seeks educational approaches most appropriate for each student.

The Tutorial Center instructs and acclimates groups of new refugees, focusing on workforce skills and improving English communication. We continue to focus on increasing our adult education student body, maintaining and forming new community partnerships.

The Tutorial Center works closely with the social service agencies in the area, such as the Dept of Labor, Economic Services, DCF, CRJ, and UCS. Though our main mission is education, we know there are many barriers to education for our students. We work closely with our students to help minimize these obstacles. We have a transition counselor to help students overcome these barriers, as well as direct them to the specific services they may need.

Our education services include tutoring for all ages; Adult Education and Literacy (which includes an alternate pathway to a high school diploma-the Adult Diploma Program); English language classes for non-English speakers (ESL); GED preparation and testing; job readiness training; basic technology training for individuals and businesses; and our long-standing Youth Agricultural Program (YAP).

The Tutorial Center would like to request the same amount as last year Sandgate's town appropriation funds support our tutoring work, enabling us to offer scholarships to students who need assistance. In addition, we work closely with the area schools to be a resource for them. Over the past few years, we have had two students from Sandgate in our Adult Ed program and several students being individually tutored.

The Tutorial Center is happy to answer the community's questions about how we may be able to help you or someone you know. Thank you for your previous support, and we look forward to your continued support.

Respectfully submitted by Sean-Marie Oller, Executive Director seanmarie.o@tutorialcenter.org
